This Contract, made and entered into this 23rd day of March, 1983 by and between the City of Columbus, Ohio by Bernard T. Chupka, its Director of Public Safety and the City of Bexley, Ohio, by David H. Madison, its Mayor.

WHEREAS, by Ordinance No. 803-74, passed by the Council of the City of Columbus, Ohio, the Director of Public Safety of the City of Columbus, Ohio, on behalf of the City is authorized to enter into a contract to provide both fire protection and emergency medical service to municipalities such as the City of Bexley, Ohio, under the terms and conditions set forth in said Ordinance, and,

WHEREAS, the City of Bexley, Ohio, by Ordinance No. 24-83 of the Council of the City of Bexley, authority was granted by that body to David Madison, Mayor, on behalf of the City, to contract with the City of Columbus, for such services;

NOW, THEREFORE,

For consideration hereinafter named, the City of Columbus agrees that the Division of Fire, Department of Public Safety, will answer fire calls from the City of Bexley and its inhabitants and send fire apparatus and firefighters thereto for the purpose of extinguishing fire in the City of Bexley in like manner as fire calls are answered and fires extinguished in the City of Columbus, for a period of five years beginning January 1, 1983 and ending December 31, 1987. In addition, the City of Columbus, Ohio, for the period of time provided herein agrees to make available to the City of Bexley the services of its Emergency Medical Squads.

In consideration of providing the above service to the City of Bexley agrees to pay the City of Columbus semi-annually on April 1 and October 1 of each year covered by this Contract. Each semi-annual payment shall be 50% of the annual rate which shall be based on the formula as set forth in this Contract. The payment schedule for 1983 shall be:

April 1, 1983	\$254,400.00
October 1, 1983	<u>254,427.00</u>
Total 1983 payment	\$508,827.00

The 1983 cost is based on:

Manpower	\$498,827.00

One year's average fuel and maintenance	<u>2,500.00</u>
	\$508,827.00

The cost for each year thereafter, covered by this Contract, shall be the cost of manpower for one engine company, plus \$7,500 which represents depreciation of one engine, plus that year's average fuel and maintenance cost for one engine as estimated by the Division of Fire Bureau of Maintenance.

The cost of manpower for one engine company shall be the salaries and fringe benefit rates as of January 1st, projected for the pay periods of that year, for 12 Firefighters, 2 Lieutenants, and 1 Captain (15 total Fire personnel). Fringe benefits may include but are not limited to: holiday pay, insurances, pension and worker's compensation. This information may be furnished earlier depending on enactment of salary ordinances. Payment shall be sent to the City of Columbus, Director of Public Safety. Notification of a payment due will be sent to the Auditor of the City of Bexley at least 15 days prior to due date.

It is further understood and agreed that in no case shall the City of Columbus be liable in damages to the City of Bexley, or any of its inhabitants for failure to answer any fire call, or failure to answer or respond to any call for emergency medical service, or for lack of speed in answering any such calls, or for any inadequacy of equipment, negligent operation of apparatus or medical aid equipment, failure to extinguish any fire or for any cause whatsoever growing out of this Contract, or the use of fire equipment, medical aid equipment and personnel of the City of Columbus.

It is mutually understood and agreed that either party hereto may cancel and terminate this contract upon giving a Ninety (90) day written notice to the opposite party of its intention so to do, and

if this contract is so cancelled so much as ninety (90) days before
the expiration of the time for which payment has been made, then
and in that instance a refund shall be made for the proportionate
time remaining after such cancellation.

IN WITNESS WHEREOF, the parties have set their hands this
