Dear Sir:

I was a resident of Bexley for the greater part of my life.

I lived in Bexley when I became a member of the armed forces during World War II and following my discharge returned to my home in Bexley where I continued to live for many years.

It has been called to my attention that my name does not appear on the pylon at Drexel & Broad erected in memory of Bexley veterans of World War II. I have also been advised that this oversight can be corrected.

Yours truly,

William L. Case, Jr.
