(b) The Director of Public Service is authorized, upon request of an owner or resident, to determine the conditions under which the City will collect and dispose of waste materials which do not constitute "trash", as defined in Section 1060.01, and to fix the charge to be made therefor, taking into consideration the availability of equipment, personnel and disposal facilities and the cost to the City of such service. He is also authorized to limit the amount of brush, tree and shrub trimmings which will be collected from subscribers without additional charge to such amount as he considers a normal or average amount per collection unit, and to contract with the subscribers for the collection and disposal of such excess materials, as hereinabove provided, for other waste materials.

Section 2. That existing Section 1060.10 of the Codified Ordinances of the City of Bexley is hereby repealed.

Section 3.
