RE: Proposed Mosquito Trapping of Bexley

Dear Ms. Foulk:

Your letter of September 20, 1993 included copies of a proposed mosquito trapping contract. The period of the contract was from June 15, 1993 through September 1, 1993. In so much as no trapping of Bexley was conducted during this period by the Columbus Health Department, it would not be possible for the City of Columbus to meet the conditions of this contract. Because of this I am returning the contract copies to you unsigned.

The Columbus Health Department looks forward to future cooperative efforts. Should you have any questions in this matter, please contact me at (614) 645-7156.

Very sincerely,

Dale L. Harmon, Supervisor
