

Ordinance 13-12

By: Richard Sharp

An Ordinance to make supplemental appropriations and to reduce appropriations to various accounts in the 2012 budget.

Whereas, The contract with the police union allows for officers to be reimbursed for qualified uniform expenses; and

Whereas, The 2012 budget reduced the appropriation to account number 01-200-1050 Uniform Allowance from \$47,400 in 2011 to \$11,850; and

Whereas, The appropriated amount is insufficient to meet the anticipated actual reimbursement requirements; and

Whereas, There is a desire by Council to avoid whenever possible the need to increase net appropriations beyond what was passed in the 2012 City budget; and

Whereas, The Police Pension Fund has a significant balance and although, it had been and informal policy of Council to keep the Police Pension Fund at a fixed balance via discretionary appropriations from the General Fund, current budget considerations necessitate a change in that informal policy;

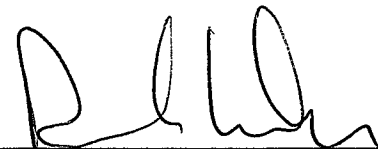

Therefore: BE IT ORDAINED BY THE COUNCIL OF THE CITY OF BEXLEY, OHIO:

Section 1: That the following supplemental appropriations (or reductions thereto) be made:

	<u>Additional</u>	<u>New total</u>
01-200-1050 Uniform Allowance	\$11,850	\$23,700
01-200-51610 Transfer to the Police Pension Fund	(\$11,850)	\$ 5,134

Section 2: That this ordinance shall go into effect at the earliest period allowed by law.
