

ORDINANCE NO. 22-25

By: Jess Saad

An ordinance to appropriate funds for the replacement of the Bexley Police Department's radio dispatching system

Whereas: The City's police radio dispatching system has reached its end of service and is in need of replacement; and

Whereas: In early 2025, the department went to market to solicit proposals from a variety of vendors, ultimately determining that the Motorola dispatching system was exclusively able to meet the department's critical needs in order to provide for expedient and reliable communications among our first responders; and

Whereas: The cost of the system replacement, inclusive of a new AXS Dispatch site, with two AXS dispatch consoles, accessories, and recommended backup parts, is estimated at \$359,500;

NOW, THEREFORE, BE IT ORDAINED BY THE COUNCIL OF THE CITY OF BEXLEY

That \$359,500 is hereby appropriated from the Capital Fund for the purpose of providing the City of Bexley with a new AXS Dispatch site.
