

AMENDED ORDINANCE NO. 24 - 25

By: Jess Saad

An ordinance to authorize supplemental appropriations for calendar year 2025 to cover additional costs associated with an increase in recreational programming.

Whereas: Due to an increase in games played in the youth basketball program managed by the Recreation Department, and an increase in the hourly rates paid to referees and officials, and a need for additional funding to support instructor salaries and wages for Jeffrey Preschool, three accounts associated with the Recreation and Parks Department require supplemental appropriations; and

Whereas: The 2025 Budget appropriated \$300,000 to the Recreation Programming / Professionals Services account (05-520-51710) and as the end of September \$223,191 has been spent out of said account; and

Whereas: \$22,000 was appropriated to the Referees account (05-520-51720) and as the end of September \$19,598 has been spent out of said account; and

Whereas: \$338,973 was appropriated to the Jeffrey Preschool Salary and Wages account (05-525-51010) and as of the end of September \$229,159 has been spent out of that account; and

Whereas: The increased participation in programming will generate sufficient revenue to offset these increased expenses;

NOW, THEREFORE, BE IT ORDAINED BY THE COUNCIL OF THE CITY OF BEXLEY:

Section 1.

That **\$30,600** is hereby appropriated from the unencumbered Recreation Fund as follows:
