NARRATIVE FOR PATROL OFFICER PETER S MCCOLLAM

Ref: 25BEX-6801-OF

The complainant, a resident in the 2600 block of Fair Ave., reports that his neighbor, has tampered with his property by undoing his efforts to halt water intrusion onto his property from his neighbor's newly constructed driveway, which has a portion of it encroaching onto the complainant's property. The complainant has placed metal edging, dirt and sealant along the encroaching portion of the driveway to prevent water from coming onto the complainant's property. This effort at mitigation has been tampered with by his next door neighbor. The complainant provided a written statement of fact and also presented a security camera footage of his neighbor removing the material that was put in place. The complainant requested to prosecute.
