Ref: 24BEX-16374-OF

On the listed date and times, Bexley Police responded to Bexley School Cassingham Complex on a call of a protestor on the school grounds. Upon arrival, Bexley Police were met by Dr. Williams, the Bexley Schools Director of Facilities and Operations, who reported that the listed offender had entered onto the property and had refused to leave having argued that it was public property. Dr. Williams requested that the offender be trespassed from the school property. The offender, who initially refused his information to police provided his name and date of birth upon being informed that he would be detained in regards to the Criminal Trespass complaint. He remained on the sidewalk after being informed of the boundary between city and school property and was advised that the Bexley City Schools would prosecute should he re-enter the grounds without authorization. He left the area when all students had arrived and entered the building.
