- 2) Include the title of the records series and a brief description of each series. Please provide information about the content and use of the records series.
- 3) Articulate a retention period for the record in terms of time (exp. six years), an action (exp. until audited), or both (six years after audit).
- 4) Include the formats of the record (paper, electronic, microfilm, etc.)
- 5) For use by the Auditor of State or the OHS-LGRP. OHS-LGRP will mark the records series that will need an RC-3 prior to disposal.
