Comments <i>(Italicized comments are from previous review)</i>	
3a	Please provide digital photographs of the existing conditions – including the vegetation around Lot 2.
3c	Please provide a bar scale on the Landscape Plan for reference. Landscape plans delivered on 11x17 sheets are not at 1/8"=1'-0".
3d	Please provide elevations, perspectives, isometrics or a detailed model of the three sides of the home that will be landscaped to show how the landscape looks with the architecture of the home.
3f	Please provide both the botanical name as well as the common name for each of the proposed landscape plants. Please provide the estimate amount of Vinca that will be installed in the proposed bed – how many and the dimension on center will be the plantings?
4a	Confirm if the project will be irrigated or not.
4b	As an informational item, please confirm what type of pavers will be installed next to the existing driveway.
4g	Please provide all the requested information in a digital format so it can be emailed to members of the Commission for their review as well as for use during the presentation at the Commission Meeting.
