Denied

Approval Conditions:

Approved with the following condition:

1. All efforts should be made to maintain the trees labeled "TBR" (To Be Removed). The two birch trees site fully outside of the footprint of the bioretention pool and should not be impacted by the construction. The City of Bexley will meet with the Police Department to discuss their concerns. If the trees do not survive the construction, then the impacted trees must be replaced elsewhere on site in a location that is acceptable to the Police Department.
